

ISBN: 978-0-9747728-2-0 ISSN 1071-0043 \$20.00 USA

For the first time since the breakup of the Soviet Union, all flags of the federal subjects of Russia—Republics, Oblasts, Krai, and more—are documented in one volume in English. Based on a paper which won the Captain William Driver Award for scholarly achievement in Vexillology, this book belongs on every flag-lover's bookshelf.
